¿What is Viafirma Inbox?

Viafirma Inbox is an innovative solution that allows you to manage all kind of documents in electronic format as well as it provides electronic signature and custody services.

It is our Electronic Portafirmas that makes easier the administration of signing process within any company. It satisfies the need of announcing the task of signing documents, allowing you to do anything from simple electronic signature to complex ones.

This web solution that follows the pattern of "e-mail client" organizes the signature agenda thanks to the notification and planning of the documents' expiration date in signing.

Features

- ▶ **"Universal Signature"**, advance electronic signature that can be used from anywhere and anytime.
- ▶ Electronic Signature Solution easy to use, **neutral and innovative**.
- ▶ It allows you to **sign any type of documents** no matter what the format is.
- ▶ It makes possible the following **signature types**:
 - Serial Signature (cascade)
